Program Mission

The Associate of Arts is designed to provide educational opportunities for students to gain knowledge and skills in academic studies in a wide variety of courses transferable to most four-year colleges or universities. It will provide the flexibility to move into any major that is based on a broad liberal arts foundation.

Student Learning Outcomes (SLO's)

The intended student learning outcomes for General Education are aligned with Clinton College's mission to promote academic achievement, positive moral and spiritual development, leadership qualities, and citizens who can contribute to a global society. The General Education Student Learning Outcomes are one in the same with the intended outcomes of the Associate of Arts in Liberal Arts program.

General Education and Associate of Arts in Liberal Arts Student Learning Outcomes.

- Gen. Ed. SLO #1: Students will demonstrate knowledge of human cultures and the physical and natural world. *(Academic achievement – conceptual knowledge)*
- Gen. Ed. SLO #2: Students will demonstrate intellectual and practical skills in inquiry and analysis, critical and creative thinking, written and oral communication, quantitative literacy, information literacy, teamwork and problem solving. *(Academic achievement – applied skills, inquiry tools and practices)*
- Gen. Ed. SLO #3: Students will demonstrate personal and social responsibility, including civic knowledge and engagement – local and global, intercultural knowledge and competence, ethical reasoning and action, foundations and skills for lifelong learning. *(Moral and spiritual development, leadership, citizenship)*
- Gen. Ed. SLO #4: Students will demonstrate integrative and applied learning, including synthesis and advanced accomplishment across general and specialized studies. *(Academic achievement – conceptual knowledge and applied skills)*
